The following is a quote of his encouraging words: "I appreciate all of the hard work that has been accomplished by the LPC over the years. It was a pleasure to work with all of you and that I know you will continue to add value to our organization by being members of the LPC. The relationships I enjoy with each of you made our time together extremely valuable and greatly benefited every member of the 121st ARW. Thank you for your friendship and for the thoughtfulness shown to me here today with this wonderful framed certificate and meal. The most important part of the certificate are the names of each and everyone of you. I will display it in my office with pride and every time I
