Closed

7. Technician Appraisals Due Dates. Last month we agreed that it would not be a problem to have them due in the 2nd quarter of the fiscal year. We received an email from 1Lt Daryl Scott to review their possible implementation for the change. Then we received an email from Mr. Jeff

Tanner stating that we should not worry about it because he is not aware of any problems. The group maintains their recommendation from their previous meeting and that this would not cause a negative impact at the 121st. Closed

8. Federal Wage Survey. The Central Ohio Federal Wage Survey will be conducted 5-16 January 2009.

9. "Blue Monday's": The group discussed this thoroughly and could not see why we could not participate in this Chief of Staff of the Air Force directive. There will be a need for guidelines and implementation so it can be implemented evenly and fairly across the Wing. Some suggestions included: Applicable to all GS and WS employee's with WS employees needing approval from Group Commanders for excusal to participate, or even possibly changing the day. If proceeding with this, recommend a team from the LPC look over all scenarios and develop an implementation plan.

10. New Co-Leaders for January 2009 thru June 2009 are Cassandra Seward and Joe Cook.

11. The next LPC meeting will be 7 January at 1400 in the Wing Conference Room.
