PARTNERSHIP MEETING MINUTES

MEETING began at 0830 on 13 July 2010: attendees were Mike Smith, Paul Tumidolsky, Dave McDarmont, Pat Harris, Bobby Lykins, Doug Schmitt

1. OLD BUSINESS:

a. Facilities Management – OPEN

Per Mike Smith, Stuart Driesbach is very supportive of getting the ramp repaved, the large hump in the middle is getting worse. The air conditioning is still not working correctly – the discrepancy logs were checked and the Smart Team is aware of the problem.

b. Workout Equipment – OPEN

Per Mike Smith, LTC McAllister and the 73<sup>rd</sup> Troop Command are not getting their equipment yet due to funding, we can't get their old equipment until they get their new items.

c. FI and TACOPS Positions – OPEN

Stuart Driesbach approved an additional FI position; we're waiting until December to post this position. For the TACOPS position, Mike Smith is to figure out what direction we should go (i.e. DK's old slot or the possibility of using a Pilot GS-12 PD for this position).

d. New Hire checklists – OPEN

Mike Smith emphasized that all supervisors need to make sure the new-hire checklists have been completed on each person hired since June 2008.

2. NEW BUSINESS:

a. Bunk Room – OPEN

No new information available.

b. Additional IBB Training – OPEN

Andy Filson should go for this training, all agreed.

c. Cable in the Hangar – OPEN

## PARTNERSHIP MEETING MINUTES

15 July 2010

Per Bobby Lykins, there is no lift available to fix anything on the ceiling, the Air Force hasn't anything available either – Smart Team working on this.

d. Desk Audit for Roger Vetter – OPEN

Per Mike Smith and Paul Tumidolsky, Roger Vetter's position needs a desk audit as soon as possible, the job description/performance standards do not match the current enormity of the job. Paul Tumidolsky is to meet with COL Rodgers on July 26<sup>th</sup> to discuss appraisals and the possibility of this desk audit.

e. New Appraisals – OPEN

Per Bobby Lykins, the training for appraisals will begin in September/October.

3. The next meeting will begin at 0830 on October 6, 2010.
