

## Ohio Army National Guard East/West Region LPC

The combined East/West LPC's met on 13 July 06 @  
Rickenbacker Flight Facility.

Member's present were: Labor                      Management  
Eric Scherer                      Denny Lidke  
Alex Ribacchi  
Shannon Salley

### Discussion:

Need to send copy of Charter & By-laws to all shops & Armories.

Still need a copy of PEC Charter so that we can stay in compliance  
with their expectations.

Discussion was held on the use of computers by shop personnel,  
The thought was that the Shop Supervisor would monitor the  
amount of time that is spent on the computers by personnel.

Anyone having any type of issue, Management or Labor can  
submit them to the LPC Reps. As of this date, none have been  
submitted.

Alex will get Armory address's & Eric will get PEC Charter.

Next Meeting will be 21 Sept. 06 @ Rickenbacker @ 1000Hrs.
